The Homecare People

Looking after people at home

“ There are no words to express how grateful we are for the wonderful care you gave to my Dad. Not just physical, but emotional care also ”

Your care

The Homecare People pride ourselves in providing friendly, quality care, support, reliability and companionship.

We offer domiciliary (home care) services in and around the Wokingham area.

We help you to retain your independence in the comfort of your own home, providing the right level of support and specialist care to enable you to live your life to the fullest.

Your Services

Enabling independence at home is all about delivering support where it is needed most, with services selected to suit each client and focusing on a person-centred care plan.

Regular home visits from a fully trained carer will provide you with support throughout the day and help you with your nightly routine.

We can help you with a wide range of everyday tasks, such as:

- **Personal care**
- **Continence and using the toilet**
- **Taking medicines**
- **Preparing nutritious meals and help with eating well**
- **Shopping**
- **Companionship**

All carers complete our Training Academy Certificate before commencing work with us.

Reliability is our watchword, we know how important it is that we don't let you down, we will always be there for you.
